(c) A letter grade or a grade of pass may be awarded only if, in the opinion of the teacher of the course, the student completes sufficient work and demonstrates sufficient progress toward meeting course requirements to justify the grade.

(b) The reserves of the Army, Navy, Air Force, Marine Corps or Coast Guard of the United States.

SECTION 27. (1)(a) The amount of the credit specified in section 26 (1)(b) of this 2011 Act shall be based on:

(3) A student who elects to claim the credit by the method described in subsection (1)(c)(A) of this section must use the credit or change the method of claiming the credit under subsection (2) of this section within one year after release from active duty.

(4) A personal representative of a student who elected to claim the credit by the method
described in subsection (1)(c)(A) of this section may claim a monetary payment upon present-

(5) The University of Oregon Board of Directors shall adopt rules for the administration of this section, including rules that determine the amount of credit and the method by which the credit is prorated.

SECTION 28. The University of Oregon shall give credit for education and training obtained by a person while serving in the Armed Forces of the United States, as defined in ORS 351.642. The education and training for which credit may be given must meet the standards adopted by the University of Oregon Board of Directors.

SECTION 29. (1) The University of Oregon shall charge an enrolled student who is not a resident of this state and who is attending classes as an undergraduate tuition and fees no greater than the resident rate plus 50 percent of the difference between the resident rate and the nonresident rate if the student served in the Armed Forces of the United States and was relieved or discharged from that service under honorable conditions.

(2) The university shall participate to the fullest extent allowed in the federal educational assistance programs under the Supplemental Appropriations Act of 2008 (P.L. 110-252) so as to reduce the overall tuition rate for students eligible for tuition rate reduction under subsection (1) of this section to the resident tuition rate.

(3) A person who served in the Armed Forces of the United States and who receives federal tuition benefits in excess of the tuition and fees the person is charged under subsection (1) of this section at the university shall pay tuition and fees equal to the federal tuition benefits received.

(4) Distance education and self-support courses as identified by the university are exempt from the tuition reduction provisions of this section.

(5) If a nonresident student otherwise eligible for tuition benefits under this section is receiving federal vocational rehabilitation education benefits, that student shall pay full nonresident tuition and fees charged by the University of Oregon.

SECTION 30. (1) The University of Oregon shall convene a physical access committee to identify barriers to access by persons with disabilities at the university. The committee shall include, but not be limited to:

(b) One or more members of the faculty or staff who have disabilities;
(c) The coordinator of services for students with disabilities for the university;
(d) One or more administrators of the university; and
(e) One or more members of the physical plant staff of the university.

(2) The physical access committee shall present its findings and recommendations to the University of Oregon Board of Directors, listing access needs and priorities for meeting those needs. These findings and recommendations shall identify the barriers to access that prevent persons with disabilities from meaningfully utilizing campus facilities related to instruction, academic support, assembly and residence life.

(3) In preparing funding requests for each biennium pursuant to section 18 of this 2011 Act, the university shall include amounts for capital improvement that will be applied to the substantial reduction and eventual elimination of barriers to access by persons with disabilities as identified by the physical access committee.
(4) Nothing in this section and ORS 185.155 and 341.937 requires the university to undertake projects for accessibility that are not otherwise required unless such projects are funded specifically by the Legislative Assembly.

SECTION 31. (1) The University of Oregon Board of Directors may adopt policies governing access to University of Oregon personnel records that are less than 25 years old.

(2) Policies adopted under subsection (1) of this section shall require that personnel records be subjected to restrictions on access unless the president of the university finds that the public interest in maintaining individual rights to privacy in an adequate educational environment would not suffer by disclosure of such records. Access to such records may be limited to designated classes of information or persons, or to stated times and conditions, or to both, but cannot be limited for records more than 25 years old.

(3) A rule or order adopted pursuant to this section may not deny to a faculty member full access to the member's personnel file or records kept by the university, except as provided in subsection (4)(d) and (e) of this section.

(4)(a) The files relating to the evaluation of a faculty member shall be kept in designated, available locations.

(b) Any evaluation received by telephone shall be documented in each of the faculty member's files by means of a written summary of the conversation with the names of the conversants identified.

(c) A faculty member shall be entitled to submit, for placement in the files, evidence rebutting, correcting, amplifying or explaining any document contained therein and other material that the member believes might be of assistance in the evaluation process.

(d) Letters and other information for a faculty member of the university submitted in confidence to the State Board of Higher Education or its institutions, schools or departments prior to July 1, 1975, shall be maintained in the files designated by paragraph (a) of this subsection. However, if a faculty member requests access to those files, the anonymity of the contributor of letters and other information obtained prior to July 1, 1975, shall be protected. The full text shall be made available, except that portions of the text that would serve to identify the contributor shall be excised by a faculty committee. Only the names of the contributors and the excised portions of the documents may be kept in a file other than the files designated by paragraph (a) of this subsection.

(e) Confidential letters and other information submitted to or solicited by the university after July 1, 2011, and prior to the employment of a prospective faculty member are exempt from the provisions of this paragraph. However, if the member is employed by the university, the confidential preemployment materials shall be placed in the files designated by paragraph (a) of this subsection. If a faculty member requests access to the member's files, the anonymity of the contributor of confidential preemployment letters and other preemployment information shall be protected. The full text shall be made available, except that portions of the text that would serve to identify the contributor shall be excised and retained in a file other than the files designated by paragraph (a) of this subsection.

(f) Classroom survey evaluations by students of a faculty member's classroom or laboratory performance shall be anonymous. The record of tabulated reports shall be placed in at least one of the files designated by paragraph (a) of this subsection. All survey instruments used to obtain evaluation data shall be returned to the faculty member.

(g) The university, when evaluating its employed faculty members, may not solicit or
accept letters, documents or other materials, given orally or in written form, from individuals or groups who wish their identity kept anonymous or the information the individuals or groups provide kept confidential.

(5) A policy or order adopted pursuant to this section does not limit the authority of the university to prepare, without identification of individual persons who have not consented thereto, statistical or demographic reports from personnel records.

(6) Any category of personnel records specifically designated as confidential pursuant to valid policies or orders as provided in this section may not be deemed a public record for the purposes of ORS 192.420.

(7) As used in this section, “personnel records” means records containing information kept by the university concerning a faculty member and furnished by the faculty member or by others about the faculty member at the member's or at the university's request, including but not limited to information concerning discipline, membership activity and employment performance, or other personal records of individual persons.

SECTION 32. (1) The University of Oregon Board of Directors may authorize receipt of compensation by any officer or employee from private or public resources, including, but not limited to, income from:

(a) Consulting;

(b) Appearances and speeches;

(c) Intellectual property conceived, reduced to practice or originated and therefore owned within the University of Oregon;

(d) Providing services or other valuable consideration for a private corporation, individual or entity, whether paid in cash or in-kind, stock or other equity interest, or anything of value regardless of whether there is a licensing agreement between the university and the private entity; and

(e) Performing public duties paid by private organizations, including university corporate affiliates, that augment an officer's or employee's publicly funded salary. Such income shall be authorized and received in accordance with policies and rules established by the board.

(2) The board may not authorize compensation, as described in subsection (1) of this section, that, in the board's judgment, does not comport with the mission of the university or substantially interferes with an officer's or employee's duties to the university.

(3) Any compensation described and authorized under subsection (1) of this section is considered official compensation or reimbursement of expenses for purposes of ORS 244.040 and is not considered an honorarium prohibited by ORS 244.042. If authorization or receipt of the compensation creates a potential conflict of interest, the officer or employee shall report the potential conflict in writing in accordance with rules of the board. The disclosure is a public record subject to public inspection.

(4) The board shall adopt by rule standards governing employee outside employment and activities, including potential conflicts of interest, as defined by board rule and consistent with ORS 244.020, and the public disclosure thereof, and procedures for reporting and hearing potential or actual conflict of interest complaints.

SECTION 33. The president and professors constitute the faculty of the University of Oregon and have the immediate government and discipline of it and the students therein. The faculty may, subject to the supervision of the University of Oregon Board of Directors, prescribe the course of study to be pursued at the university and the textbooks to be used.
**SECTION 34.** The University of Oregon shall consider and maintain affirmative action plans and goals when reductions in faculty and staff are required as a result of:

1. Reductions in revenue that necessitate discontinuance of the university’s educational program at its anticipated level;
2. Elimination of classes due to decreased student enrollment; or
3. Reduction in courses due to administrative decisions.

**SECTION 35.** A political or sectarian test may never be allowed or applied in the appointment of faculty and other employees of the University of Oregon.

**SECTION 36.** (1) Nothing in sections 1 to 52 of this 2011 Act may be construed to impair the obligations or agreements of the State of Oregon or the State Board of Higher Education with respect to bonds, certificates of participation, financing agreements or other agreements for the borrowing of money issued prior to the effective date of this 2011 Act by the State of Oregon on behalf of the State Board of Higher Education for equipment or projects for the benefit of the University of Oregon. The university and the Oregon University System shall take all actions necessary to ensure full compliance with all indentures, resolutions, declarations, agreements and other documents issued with respect to the bonds, certificates of participation, financing agreements or other agreements for the borrowing of money issued prior to the effective date of this 2011 Act by the State of Oregon on behalf of the State Board of Higher Education for the benefit of the university.

(2) The university and the Oregon University System shall establish, in a written agreement that is subject to the approval of the State Treasurer:

   a. The responsibility of the university for the payment to the State Board of Higher Education of moneys sufficient to pay when due all principal, interest and any other charges on bonds, certificates of participation, financing agreements or other agreements for the borrowing of money issued prior to the effective date of this 2011 Act by the State of Oregon on behalf of the State Board of Higher Education for the benefit of the university; and

   b. A requirement that the university periodically provide cash flow projections and other information as the State Treasurer requests to determine the sufficiency of the university’s revenues to satisfy the requirements of bonds, certificates of participation, financing agreements or other agreements for the borrowing of money issued prior to the effective date of this 2011 Act by the State of Oregon for the benefit of the university, credit enhancement devices or agreements for exchange of interest rates entered into in connection with those borrowings and any loans to the university funded by state general obligation bonds issued prior to the effective date of this 2011 Act.

(3) (a) Holders of obligations issued on or after the effective date of this 2011 Act by the university may be paid after the university reserves sufficient funds each biennium to satisfy any payment or reserve requirements relating to bonds, certificates of participation, financing agreements or other agreements for the borrowing of moneys issued by the State of Oregon for the benefit of the university, credit enhancement devices or agreements for exchange of interest rates entered into in connection with those borrowings and loans to the university funded by state general obligation bonds.

   (b) The university may pledge all or a portion of its remaining rents, revenues, receipts, appropriations or other income to secure revenue bonds issued under section 37 of this 2011 Act, credit enhancement devices or agreements for exchange of interest rates related to such revenue bonds, or other obligations issued by the university, but only to the extent
that:

(A) Such holders have no rights, liens or other interests with respect to such rents, revenues, receipts, appropriations or other income of the university that are on parity with or are senior or superior to the rights granted to the State of Oregon and the holders of bonds, certificates of participation, financing agreements or other agreements for the borrowing of moneys issued by the State Treasurer for the benefit of the university, credit enhancement devices or agreements for exchange of interest rates entered into in connection with those borrowings and loans to the university funded by state general obligation bonds issued prior to the effective date of this 2011 Act; and

(B) The State Board of Higher Education, the Oregon Department of Administrative Services or the State of Oregon is granted a lien or other security interest in the rents, revenues, receipts, appropriations or other income of the university that is superior to any lien or other security interest granted to the holders of obligations issued by the university.

(4)(a) The principal, interest and any premium on any bonds, certificates of participation, financing agreements or other agreements for the borrowing of moneys issued before or after the effective date of this 2011 Act by the State of Oregon for the benefit of the university, and any credit enhancement devices or agreements for exchange of interest rates entered into in connection with those borrowings, shall be paid from the sources specified in the laws and documents authorizing the bond, certificate of participation, financing agreement or other agreement for the borrowing of moneys, credit enhancement device or agreement for exchange of interest rates. The university must pay any other expenses and liabilities, including but not limited to closing costs, legal expenses, costs of settling claims, judgments, federal arbitrage rebates and penalties and expenses arising from an inquiry, audit or other action by a federal or state regulatory body, except to the extent that the liability or expense results from the negligence or willful misconduct of a state agency.

(b) Pursuant to ORS chapter 180, on behalf of the State Treasurer or any other state agency, the Attorney General shall appear, commence, prosecute or defend any action, suit, cause or proceeding arising from any bonds, certificates of participation, financing agreements or other agreements for the borrowing of moneys, and any credit enhancement devices or agreements for exchange of interest rates entered into in connection with those borrowings, issued by the State of Oregon for the benefit of the university.

(5) Any amounts deposited with the State Treasurer, the Controller of the Oregon University System, or the Oregon Department of Administrative Services or its designated agents, in any debt service in reserve accounts for the debt service associated with any bonds, certificates of participation, financing agreements or other agreements for the borrowing of moneys issued prior to the effective date of this 2011 Act by the State of Oregon on behalf of the State Board of Higher Education for the benefit of the university shall remain with the State Treasurer, the Controller of the Oregon University System, or the Oregon Department of Administrative Services or its designated agents, until such time as the bonds, certificates of participation, financing agreements or other agreements for the borrowing of moneys, for which such debt service in reserve accounts has been established, have been retired or defeased.

SECTION 37. The University of Oregon may from time to time issue and sell revenue bonds in accordance with ORS chapter 287A. However, the provisions contained in ORS 287A.150 (2) to (6) do not apply to revenue bonds issued by the university. Such revenue
bonds are neither a general obligation of the university nor a charge upon any revenues or
property of the university not specifically pledged thereto. An obligation described in this
section is not an indebtedness of the State of Oregon.

SECTION 38. Revenue bonds issued by the University of Oregon under section 37 of this
2011 Act are considered to be bonds or obligations of a political subdivision of the State of
Oregon for the purposes of all laws of this state.

SECTION 39. Refunding bonds and advance refunding bonds of the same character and
tenor as those replaced by them may be issued by the University of Oregon pursuant to ORS
287A.360 to 287A.380.

SECTION 40. In addition to, and not in limitation of, the means of satisfying state gen-
eral obligation bond obligations under ORS 291.445, the University of Oregon, promptly upon
the discovery of any shortfall in moneys available to the university for the payment when
due of amounts under any bonds, certificates of participation, financing agreements or other
agreements for the borrowing of moneys issued prior to the effective date of this 2011 Act
by the State of Oregon on behalf of the State Board of Higher Education for equipment or
projects for the benefit of the university, shall notify in writing the Legislative Assembly,
or if the Legislative Assembly is not in session, the Emergency Board, of the existence and
amount of the shortfall. The Legislative Assembly or the Emergency Board, as the case may
be, may allocate funds to satisfy the payment of any such amount. By enacting this section,
the Legislative Assembly acknowledges its current intention to allocate, from funds other
than those appropriated or otherwise made available to the Oregon University System or to
the Oregon Department of Administrative Services for direct allocation to the university,
funds to pay such amount. However, except as may be required by the Oregon Constitution
or ORS 291.445, neither the Legislative Assembly nor the Emergency Board shall have any
legal obligation to allocate funds under this section.

SECTION 41. In order to provide funds for the purposes specified in Article XI-G of the
Oregon Constitution, the University of Oregon Board of Directors may request the State
Treasurer to issue bonds in accordance with the provisions of ORS chapter 286A.

SECTION 42. In order to provide funds for the purposes specified in Article XI-F(1) of the
Oregon Constitution, the University of Oregon Board of Directors may request the State
Treasurer to issue bonds in accordance with the provisions of ORS chapter 286A.

SECTION 43. If the electors of this state authorize the issuance of bonds for the benefit
of the University of Oregon individually or in its capacity as a public university, the Uni-
versity of Oregon Board of Directors may request the State Treasurer to issue bonds for
such purposes in accordance with the provisions of ORS chapter 286A.

SECTION 44. If the University of Oregon Board of Directors requests the State Treas-
urer to issue bonds pursuant to sections 41 to 43 of this 2011 Act, the board shall be a related
agency under ORS 286A.001 to 286A.195 for issuance or administration of the bonds.

SECTION 45. As used in sections 45 to 49 of this 2011 Act:
(1) “Credit enhancement agreement” means any agreement or contractual relationship
between the University of Oregon and any bank, trust company, insurance company, surety
bonding company, pension fund or other financial institution providing additional credit on
or security for a financing agreement or certificates of participation authorized by sections
45 to 49 of this 2011 Act.
(2) “Financing agreement” means a lease-purchase agreement, an installment sale

[18]
agreement, a loan agreement, a note agreement, short-term promissory notes, commercial
papers, lines of credit or similar obligations or any other agreement to finance real or per-
sonal property that is or will be owned and operated by the university, or to refinance pre-
viously executed financing agreements.

(3) “Personal property” means tangible personal property, software and fixtures.

(4) “Property rights” means, with respect to personal property, the rights of a secured
party under ORS chapter 79, and, with respect to real property, the rights of a trustee or
lender under a lease authorized by section 48 (4) of this 2011 Act.

(5) “Software” means software and training and maintenance contracts related to the
operation of computing equipment.

SECTION 46. (1) Subject to the limitations of section 37 of this 2011 Act, the University
of Oregon may enter into financing agreements in accordance with sections 45 to 49 of this
2011 Act, upon such terms as the university finds to be advantageous. Amounts payable by
the university under a financing agreement shall be limited to funds available for such pur-
poses under section 37 of this 2011 Act and specifically pledged, budgeted for or otherwise
made available by the university. If there are insufficient funds available to pay amounts due
under a financing agreement, the lender may exercise any property rights that the university
has granted to it in the financing agreement against the property that was purchased with
the proceeds of the financing agreement, and may apply the amounts so received toward
payments scheduled to be made by the university under the financing agreement.

(2) Subsection (1) of this section does not apply to, and the university may not grant a
security interest in, lease as security for or grant any other right under, a financing agree-
ment with respect to any real or personal property that has been financed with general ob-
ligation bonds, certificates of participation, financing agreements or other borrowings of the
State of Oregon for the benefit of the university unless those obligations of the State of
Oregon are fully paid.

SECTION 47. The University of Oregon Board of Directors may delegate to any board
member, the president of the University of Oregon or the president’s designee the authority
to determine maturity dates, principal amounts, redemption provisions, interest rates or
methods for determining variable or adjustable interest rates, denominations and other
terms and conditions of such obligations that are not appropriately determined at the time
of enactment or adoption of the authorizing resolution. The board may also delegate entering
into financing agreements or any other instruments authorized by law. This delegated au-
thority shall be exercised subject to applicable requirements of law and such limitations and
criteria as may be set forth in the authorizing resolution.

SECTION 48. (1) The University of Oregon may:

(a) Enter into agreements with third parties to hold financing agreement proceeds, pay-
ments and reserves as security for lenders, and to issue certificates of participation in the
right to receive payments due from the university under a financing agreement. Amounts
so held shall be invested at the direction of the University of Oregon Board of Directors.
Interest earned on any investments held as security for a financing agreement may, at the
option of the board, be credited to the accounts held by the third party and applied in pay-
ment of sums due under a financing agreement.

(b) Enter into credit enhancement agreements for financing agreements or certificates
of participation, provided that such credit enhancement agreements shall be payable solely
from funds specifically pledged, budgeted for or otherwise made available by the university and amounts received from the exercise of property rights granted under such financing agreements.

(c) Use financing agreements to finance the costs of acquiring or refinancing real or personal property, plus the costs of reserves, credit enhancements and costs associated with obtaining the financing.

(d) Grant leases of real property with a trustee or lender. Such leases may be for a term that ends on the date on which all amounts due under a financing agreement have been paid or provision for payment has been made, or for a term of up to 20 years after the last scheduled payment under a financing agreement, whichever is later. Such leases may grant the trustee or lender the right to evict the university and exclude it from possession of the real property for the term of the lease if the university fails to pay when due the amounts scheduled to be paid under a financing agreement, or otherwise defaults under a financing agreement. Upon default, the trustee or lender may sublease the land to third parties and apply any rentals toward payments scheduled to be made under a financing agreement.

(e) Grant security interests in personal property to trustees or lenders.

(f) Make pledges for the benefit of trustees and lenders.

(g) Purchase fire and extended coverage or other casualty insurance for property that is acquired or refinanced with proceeds of a financing agreement, assign the proceeds thereof to a lender or trustee to the extent of their interest, and covenant to maintain such insurance while the financing agreement is unpaid, as long as available funds are sufficient to purchase such insurance.

(2) The provisions of subsection (1) of this section do not apply to, and the university may not grant a security interest in, lease as security for or grant any other right under, a financing agreement with respect to any real or personal property that has been financed with general obligation bonds, certificates of participation, financing agreements or other borrowings of the State of Oregon for the benefit of the university unless those obligations of the State of Oregon are fully paid.

SECTION 49. A lease or financing agreement under sections 45 to 49 of this 2011 Act does not cause property to be subject to property taxation and is disregarded in determining whether property is exempt from taxation under ORS chapter 307.

SECTION 50. The University of Oregon Board of Directors may, in its discretion, accept financial assistance and grants, either in the form of money or labor, from the United States or any of its agencies, subject to the terms and conditions thereof, regardless of any laws of this state in conflict with the regulations of the federal government with respect thereto, and may also accept from others any donation or grant of land or gift of money or other valuable gift or thing, for any of the purposes contemplated by Article XI-F(1) and Article XI-G of the Oregon Constitution and sections 38 to 49 of this 2011 Act. Unless enjoined by the terms or conditions of any such gift or grant, the board may convert the same, or any of them, into money, through sale or disposal thereof.

SECTION 51. (1) The State Board of Higher Education, in coordination with the University of Oregon, shall adopt performance benchmarks for the university. The benchmarks must reflect the educational outcomes that the State Board of Higher Education expects from the university. The State Board of Higher Education may not prescribe how the benchmarks are to be achieved. The president of the university and the University of Oregon
Board of Directors have exclusive jurisdiction and control over the means and methods of achieving the performance benchmarks.

(2) The State Board of Higher Education annually shall assess the university's compliance with the benchmarks described in subsection (1) of this section and shall issue an annual report as to the university's achievements. The state board may recommend to the Legislative Assembly incentives to encourage compliance with the benchmarks or penalties for failure to comply with one or more benchmarks.

(3) The university and the Oregon University System shall coordinate academic programs so that the programs are integrated and complementary. To accomplish this purpose, university officers shall maintain a role in the appropriate committees of the State Board of Higher Education and the Oregon University System. The State Board of Higher Education shall have final authority over creation of new degree programs at the University of Oregon.

SECTION 52. The University of Oregon Board of Directors shall adopt a policy that prescribes the requirements for a venture grant program and the requirements that a grant applicant must meet in order to receive grant moneys from the university venture development fund administered by the University of Oregon, including requirements:

(1) That a grant recipient remain within this state for at least five years following the receipt of a grant or repay the grant plus interest;
(2) That the university report amounts of tax credit certificates issued by the university and cease issuing certificates until the total amount owed to the General Fund by the university at any one time under ORS 351.697 (6) does not exceed $2.4 million; and
(3) That the university maintain records of income realized by the university as the result of grants made from the university venture development fund and records of amounts paid to the General Fund.

SECTION 53. As used in sections 53 to 64 of this 2011 Act:

(1) “Former university” means the University of Oregon in its former status as a university within the Oregon University System under ORS 352.002, as set forth in the 2009 Edition of the Oregon Revised Statutes.
(2) “University” means the University of Oregon public university established under section 2 of this 2011 Act.
(3) “University board” means the University of Oregon Board of Directors established under section 4 of this 2011 Act.

SECTION 54. (1) Pursuant to the provisions of ORS 236.605 to 236.640, and except as otherwise expressly provided in sections 1 to 52 of this 2011 Act, all persons employed by the University of Oregon on the effective date of this 2011 Act shall continue their employment with the university and shall retain any seniority, contractual rights or tenure granted prior to the effective date of this 2011 Act.
(2) Nothing in sections 1 to 52 of this 2011 Act shall affect the representation rights of collective bargaining organizations that represent university employees. Nothing in sections 1 to 52 of this 2011 Act shall affect any term or condition of any collective bargaining agreement in effect on the effective date of this 2011 Act.

SECTION 55. All of the duties, functions and powers of the former university are transferred to the university as if the university were a continuation of the former university and not a new authority.

SECTION 56. (1) All records and property of the former university shall be considered
the records and property of the university.

(2) There are transferred to the University of Oregon Board of Directors title to and possession of all the supplies, materials, equipment, records, books, papers and facilities of the State Board of Higher Education pertaining to the former university.

(3) Title to real property acquired prior to the effective date of this 2011 Act utilized by the former university or held or managed by the State of Oregon for the benefit of the former university shall be continuously held in the name of the State of Oregon, except that the university has the exclusive care, custody and control of such real property and facilities.

(4) The University of Oregon Board of Directors may sell, convey or lease such property, or any interest therein, as the university board deems in the best interest of the university as provided in section 13 of this 2011 Act.

SECTION 57. All unexpended moneys, including but not limited to General Fund appropriations, gifts, bequests, other funds, assessments, liability and worker's compensation reserves and premiums that are appropriated to, held, managed or invested by or on behalf of or otherwise available to the former university or its president, for the purposes of any of its duties, functions or powers transferred by sections 1 to 52 of this 2011 Act to the university, are appropriated and transferred to the university.

SECTION 58. (1) Any proceeding, action, prosecution or other business or matter undertaken or commenced before the effective date of this 2011 Act by the former university, with respect to the duties, functions or powers transferred to the university by sections 1 to 52 of this 2011 Act and still pending on the effective date of this 2011 Act may be conducted and completed by the university in the same manner, under the same terms and conditions and with the same effect as though undertaken, conducted or completed by the former university before the transfer.

(b) For employees of a common school district, a union high school district, an education service district or a community college, or employees of the State Board of Higher Education or the University of Oregon engaged in teaching or other school activity at an institution of higher education, or employees of the school operated under ORS 346.010 engaged in teaching or other school activity, who are employed under contract for a period of less than 12 consecutive months and who are entitled to sick leave with pay of less than 96 hours for a year, each hour of accumulated unused sick leave with pay shall be valued on the basis of the actual number of contract hours of employment during the last year of contributing membership of an employee before retiring and the salary of the employee during the same period. This paragraph does not apply to any employee who is employed under contract for 12 consecutive months in any of the three or less years used in determining the final average salary of the employee.

(c) For the purpose of this subsection, accumulated unused sick leave with pay includes unused sick leave with pay accumulated by an active member of the system while in the service of any public employer participating in the system that has the request described in paragraph (a) of this subsection in effect at the time of the member's separation from the service of the employer, whether that employer is or is not the employer of the member at the time of the member's retirement.

(d) The board shall establish rules requiring all public employers participating in the system to transmit to the board reports of unused sick leave with pay accumulated by their employees who are members of the system and to provide timely notification to each of those employees of unused sick leave with pay accumulated by the employee and reported to the board.

(2) Accumulated unused sick leave with pay may be considered for the purpose of subsection (1)

(b) Sick leave credited for periods when an employee was absent from employment on sabbatical leave, educational leave or any leave without pay may not be considered.

(c) Any period during which an employee was absent from employment for illness or injury that was charged against sick leave not qualified for consideration shall be deducted from sick leave qualified for consideration.

(d) Sick leave for any period for which the public employer provides no sick leave with pay for its employees may not be considered.

(B) Where the public employer provided sick leave before July 1, 1973, but formal records of accumulation and use were not required or if required, are unavailable or incomplete, or the sick leave was subject to administrative limitations on total accumulation or transfer between public employers, accumulated unused sick leave for periods before July 1, 1973, may be considered as equal to 2.675 hours for each full month worked or an amount per month equal to the average monthly accumulation by an employee during the period beginning July 1, 1973, and ending at the time of retirement, whichever amount is greater, but reduced by the amount of any accumulated unused sick leave credited to the employee on July 1, 1973.

(g) The written certification of a member or former member of the Legislative Assembly shall constitute a formal record of accumulation and use in determining the amount of accumulated unused sick leave of an employee of the Legislative Assembly, either of its houses or any of its committees or officers for periods of employment before July 1, 1981. Sick leave accumulated on and after July 1, 1981, by employees of the Legislative Assembly, either of its houses or any of its committees or officers may be considered only to the extent it is supported by records of accumulation and use maintained by the Legislative Administration Committee, or any statutory, standing, special or interim committee of the Legislative Assembly or either house thereof, or any constitutional or statutory office of the Legislative Assembly or either house thereof, pursuant to a plan adopted formally by the committee or officer.

July 1, 1981.

(4) Employers with plans providing payments on account of sickness in lieu of sick leave with
pay may request the board to consider the monetary value of accumulated unused payments on ac-
